

Often, in the course of putting together the QCH wine list we will stumble across a bottle that, whilst perhaps unsuited for wider consumption, still piques our curiosity enough to want to find a home for it here on Farringdon Road.

These wines are rarities, oddities or perhaps simply fall outside of the financial boundaries of our everyday list (and sometimes it's all three).

Here we present our collection of bin-ends, curiosities and mis-creants.

Please enjoy,

Rob
